## Winter Chills & Thrills!

Place your order by December 7 and it will ship by December 17.

Brighten your days with some of the most adorable winter baskets we've ever woven. Handcrafted in America out of maple, our Woven Toboggan Hats were inspired by the charm of traditional Norwegian winter caps, complete with a cheerful pom-pom top. Pair them with our Woven Toboggan Sled, made to resemble a snow sled, perfect for displaying holiday accessories, holding greenery, or adding a festive touch to your home all season long.
