Seven years ago, we stepped in to preserve the art of making baskets in Dresden, Ohio, America's basketmaking capital. As our nation celebrates 250 years, all of us are proud to carry on this handcrafted work. Family owned and committed to Made in America quality, we design and weave every basket ourselves.

It's American Red Cross Month!

The American Red Cross Basket is the latest addition to our philanthropic collection, serving both a meaningful purpose and a greater good. Handcrafted and stained in a crisp white, this distinctive basket features a symbolic woven red cross at its center, a powerful tribute to the lifesaving mission of the American Red Cross.

Two sturdy handles make it easy to carry, with one handle burned with the official American Red Cross logo. Ideal for organizing first aid supplies, bottled water, snacks, or hygiene essentials, this basket is as practical as it is symbolic.

For every basket sold, Dresden & Company proudly donates \$10 to the American Red Cross, helping support efforts to provide relief, hope and help to those in need.
