Garden Gnome Charm!

Our Garden Gnome is woven with handcrafted charm and summer cuteness, featuring a woody character with a playful hat, four crocheted colorful flowers and boots that make it perfect for a covered porch or garden nook. Whimsical and welcoming, it brings a lighthearted touch wherever it stands.

Pair it with our creative Ironworks Watering Can and Short Crock for serving dips or displaying fresh flower arrangements to create a cheerful display full of seasonal fun.

"I've been a basketmaker for 46 years, and I've loved every minute of it. By far, the BY YOU baskets are the most fun to make. There's nothing better than watching color combinations come to life. Every creation is a little surprise, and seeing someone's vision turn into a beautiful, one-of-a-kind basket never gets old!"
